

# SAT & ACT Prep Resources!

How much should you prepare for the SAT and/or the ACT? Take a common sense approach! Use the free materials available in the College & Career Center to become familiar with what is expected. If you need more study materials, check out the online resources below! If you need to focus on a specific area or want something more in depth, check out the workshops listed on this page or go to a local bookstore for prep books or a CD program.
